

Whiteness forever!

Evernes A-grade is premium cut-size paper suitable for all types of printing machines. It is good either for printing daily paperwork or preparing high quality presentation materials.

The name “Evernes” is made of two words: forever and whiteness – meaning this pure white office paper would become your favourite for a long time! The fuchsia abstract elements and star-inspired design make this ream both striking and stylish. This ream will certainly make a statement.
